Public Policy Analysis , University of the Sciences	2015 - 2018

Statistics for Public Leadership , University of Pennsylvania Fels Institute of Government	2014
Statistics for Public Administration , Marist College School of Management	2010 - 2014
Program Evaluation , Marist College School of Management	2010 –2014

Externally Funded Research

The Policy Academies \$60,000 Principal Investigator of a funded project seeking to assess rates of eligibility and receipt of Social Security Survivor’s Benefits among families long an adult to COVID-19, as well as understand barriers to application and receipt.	6/2022 - Present
Kauffman Foundation \$438,000 Co-Investigator of a project to assess the wages of “maintenance jobs,” disparities in pay by geography and demographics, and the extent to which families can survive on those wages.	8/2022 – Present
COVID Collaborative \$49,500 Create an estimate of the number and characteristics of children that have lost a parent or caregiver to COVID-19	6/2021 – 9/2022
NYC Collaborative for Homeless Healthcare \$ 77,250 Principal Investigator of a study of the healthcare needs and use among homeless adults in New York City.	2019 – Present
Gateway Housing Development Corporation \$124,000 Principal Investigator of a quasi-experimental evaluation of the Attendance Matters program, which sought to improve school attendance among homeless children.	7/2018 – 3/2022
Community Legal Services \$44,850 Principal Investigator of a study of racial and ethnic disparities in utility insecurity and COVID-19 health outcomes in PA, with focus in Philadelphia	8/2020 – 11/2020
Philadelphia Housing Finance Authority \$15,000 Co-Investigator of a study to assess the “Latinx Paradox” in Philadelphia homeless service utilization	2019
New York State Health Foundation \$35,000 Co-Investigator of a study of aging homelessness in New York City, part of a multi-site analysis.	2017 – 2019
Center for Innovation through Data Intelligence (CIDI) \$20,000 Investigator on a study analyzing emergency department utilization and diagnoses among adults who have used New York City shelters, with a focus on health-based antecedents of frequent homelessness	2016 - 2018
Barra Foundation – StreetChange \$50,000 Working with Mental Health Partnerships, received a grant to develop, implement, and test StreetChange, an application to improve outreach efforts to street homeless adults	2015 - 2016
People’s Emergency Center \$6,000 Principal Investigator of a study to assess case management needs of homeless and formerly homeless families	2015
University of Pennsylvania Fox Alumni Research and Service Fellowship \$9,000 Principal Investigator of a study to assess relationships between dynamics of homelessness and positive psychological characteristics among homeless families in New York City	2013

New York City Department of Homeless Services \$6,750 2013
Analyst on the evaluation of New York City's Homebase Community Prevention Program

Consulting

United Way of Northern New Jersey 1/2016 - Present
Senior Research Fellow, United for ALICE Project

Georgia Department of Community Affairs 2019 and 2022
Consulted with the Georgia Department of Community Affairs regarding methodology and results for its unsheltered point-in-time count

New York City Department of Homeless Services/Department of Social Services 2015 – present
Consult with the Department of Homeless Services and the Department of Social Services regarding methodology and results for the City's unsheltered homeless point-in-time count

Louisiana Balance of State Continuum of Care 2018
Consulted with the Louisiana BoS CoC on the methodology and implementation of its 2018 unsheltered homeless point-in-time count

Connecticut Coalition to End Homelessness 2016 - 2017
Consulted with the CCEH on the methodology and results of the Connecticut unsheltered homeless Point-in-Time Count, Project Director

Barra Foundation - StreetChange 2015 - 2016
Developed and implemented StreetChange, an application to improve outreach efforts to street homeless adults

Project HOME 2013 - 2014
A consulting project in which I managed methodology, results, and logistics of Philadelphia's estimate of its homeless population

City of Waterloo, Ontario 2013
Coauthor: Approach to End Family Homelessness in Waterloo Region Report
Project: A Literature Review

Professional Activities and Academic Services

Member, National Alliance to End Homelessness Research Council 2021 - Present

Expert Contributor, COVID Collaborative 2021 - Present

Member, Youth Homeless Count Coalition 2015 - 2018

Visiting Scholar, People's Emergency Center 2014 - Present

Honors and Awards

University of Pennsylvania School of Social Policy and Practice Hal Levin Award for Outstanding Doctoral Student 2014-2015

University of Pennsylvania School of Social Policy and Practice Chai Doctoral Fellowship 2013-2014
